

We support our local rodeo!

Rodeo is a great family event.

Let's keep that tradition,

Alive

and our children

The Problem: The tobacco industry sponsors our local rodeo. This sponsorship allows messages promoting tobacco products to reach youth and families who attend the rodeo.

The Myth: It is a myth that the tobacco industry is good for our local rodeo. Unlike other sponsors, the tobacco industry's products cause cancer. And children in Oakdale are using spit tobacco at a rate above the state and national average.

The Solution: Tobacco and rodeos don't mix. Join us to become a part of the solution to end tobacco industry sponsorship of our local rodeo.
