

October 6, 2004

On behalf of the Buck Tobacco Project, thank you so much for volunteering to serve on the project as a Hi 4-H member.

Attached is a copy of a survey I am mailing to all volunteers to get an ideal of when would be the best time to meet based on your busy schedules. Please return survey by October 15, 2004. A return self-addressed envelope is provided.

Once I receive the surveys, I will determine the best day and time to meet for the majority of the volunteers.

With good planning and timing, we will plan on meeting in November, December, and January, and presenting to the Saddle Club Board of Directors at their monthly scheduled meeting in February.

If you have any questions, please contact me at your convenience.

Again, thank you for being a volunteer on the project.
